

# Consultants

|  |   |
|--|---|
| What kind of service does a consultant typically provide?                              | Has your company ever hired a consultant? Was it a success?                                       |
| If a consultant observed your work, what recommendations do you think they would make? | Some people say consultants are an expensive waste of time. Would you agree? Why or why not?      |
| What skills are needed to be a good consultant?  | Would you like to work in consultancy yourself?   |
| Why do companies choose to hire outside consultants? What benefits can they bring?     | If you were a consultant, what changes would you recommend your company make to improve business? |
| How can a consultant ensure that they do not upset people with their criticisms?       | Is hiring a consultant an investment in the success of a project?                                 |
| Why are some consultants paid so much?   | Do you think the number of consultants hired by companies will increase in future?                |
