

## Cultures (Student A)

1. Have you ever dealt with business partners or clients from abroad? From where?
  2. Can you recall any 'cultural misunderstandings' you have experienced when dealing with people from abroad?
  3. If you had to give a business partner a tour of your town or city, what would you show them?
  4. Would the world be a better place if we all had the same culture?
- 

## Cultures (Student B)

1. Have you ever travelled abroad on business yourself?
  2. What do you think it means to be 'culturally aware'? Would you describe yourself as culturally aware?
  3. If somebody was planning a business trip to your country, what advice would you give them about dealing with the people?
  4. Is it a good idea to socialise with business partners? Why or why not?
- 

## Cultures (Student C)

1. When you visit another country, what is the first thing you try and learn about?
  2. If you had to describe your country's culture to a partner from abroad, how would you do it?
  3. Do you think your country is losing its culture in any way? How?
  4. Would you describe your company as 'international'? Why or why not?
-
