

## Time (Student A)

1. Why does time seem to pass more quickly as you get older?
  2. How do you like to use your free time?
  3. How important is it to arrive on time when meeting another person?
  4. Do you ever waste time? Why do you think you do that?
  5. Do you believe time travel will be possible in future?
  6. Does time really exist or is it just a human construct?
  7. Do we have enough time on this planet? Would you like an extra 50 years?
- 

## Time (Student B)

1. Do you wear a watch? How do you find out what time it is?
  2. Why do we set deadlines for work activities? Do you find them helpful?
  3. Do you ever feel anxiety about being late for something?
  4. Do you have any good techniques for organising your time?
  5. If you could time travel to another point in history, when would it be?
  6. Do you think life felt different before clocks were invented?
  7. Why do we celebrate birthdays? What makes this important?
- 

## Time (Student C)

1. Do prefer digital or analogue clocks? Which are easier to read?
  2. Is it important to get up and go to bed at the same time every day?
  3. How many times do you check the time every day? Is it an obsession?
  4. Would you say that you have enough free time?
  5. If you could change an event in history, what would it be?
  6. Has modern communications technology left us with less free time?
  7. In general, do we have more or less free time than in the past?
-
